PROFESSIONAL EXPERIENCE

Frontend Developer Internship

Frontend Simplified Bootcamp

Online

June 2022 – December 2022

- Created 3 intricate websites using HTML5, CSS3 (+ SCSS, BEM), JavaScript and React best practises
- Improved web application performances by compressing, caching and lazy loading images and components
- Included SEO, responsive, multi-platform and hosting support, enabling their website to be used by any browser or device in the world
- Utilized debugging best practises using Google Chrome inspect element tooling
- Simplified difficult programming concepts including responsive website development, CSS layout, Promises and API requests

E-Portfolio | [Github](#)

E-Commerce Project | [Github](#)

- Transformed a completely static HTML, CSS, JavaScript and React single page application into an interactive user interface using animations, transitions and carousels.
- Processed API requests to dynamically represent data from a cloud server and represented it through skeleton loading states, pagination and dynamic routing
- Utilized Git version control and the GitHub interface to work and thrive in a virtual environment

Loyola University Chicago

Instruction Technology & Research Support Classroom Assistant

Chicago, Illinois / USA

March 2019 – May 2022

I worked directly with the Learning Design Engineer team and had the responsibility of developing media and creating programs that assist in training faculty members. With technology always improving, I am always learning on the job because with new innovations there will come new problems that we must be able to solve.

- Maintained online and technical support of electronic equipment for over 500 classrooms across two college campuses
- Developed media content, created documentation and assisted with training for over 1000 faculty members.
- Provided how-to technology assistance via in-person, phone, email, and the ITS call logging system

LEADERSHIP EXPERIENCE

Religious Leader

Part-time Imam

Chicago, Illinois / USA

August 2020 – May 2022

- Lead many Muslim communities in various states including Illinois, Indiana, Florida, and California during the holy month of Ramadan
- Conducted daily congregational prayers as a part-time leader at the local Fox Valley Muslim Community Center that regularly sees more than 100 people
- Coordinated fundraisers that generated nearly \$100,000 annually to help sustain the mosque and communal events
